American Auto-Matrix, LLC Acquires Controlsoft, Inc.

Export, PA -- March 29, 2004 -- American Auto-Matrix, LLC, announced today it has acquired through an affiliate company, all shares of Controlsoft, Inc. Controlsoft is a leading supplier of card access systems characterized by robust, easy to use software and highly scalable architecture. The Controlsoft products are manufactured at American Auto-Matrix's state of the art facility located near Pittsburgh, Pennsylvania and are sold throughout the world under the KeyMaster[®] brand.

The acquisition supports the American Auto-Matrix strategy of providing integrated Smart Building Solutions[®]. It further enables the company to proceed to integrate intelligent capabilities and services with its core HVAC competency.

American Auto-Matrix is widely recognized as a world leader in Smart Building Solutions for facilities automation and management. Applications include HVAC, access control, laboratory and fume hood control, energy management and light process control. American Auto-Matrix systems are sold, installed and maintained through an international network of Solution Integrators and Manufacturer Representatives. American Auto-Matrix was the first to introduce direct digital control, open architecture, generation-to-generation compatibility, and open protocols to the HVAC industry.
