Matrix BACnet IP Single Port MS/TP Router

Export, PA April 16, 2007- American Auto-Matrix is pleased to announce the newest addition to our HVAC product line, and the first addition to the Matrix Network Controller family. The Matrix BACnet IP Single Port MS/TP router is an ANSI/ASHRAE Standard 135-2004 BACnet compliant network router which allows seamless packet routing between BACnet/MSTP, and either BACnet/IP or BACnet Ethernet networks. The product is provided with a lockable metal enclosure with removable cover.

Features include:

- Connects BACnet networks running over different datalink layers
- Intuitive web browser-based configuration
- One (1) 10/100 Base-T Ethernet port
- One (1) EIA-485 port

In the near future expect to see more exciting additions to the Matrix Network Controller family.

###
